## Jason's Corner

Spring is right around the corner and it is now time to start thinking about getting your golf game in shape for 2017. As we move closer to the start of the golf season we are currently working diligently to be able to offer as many new opportunities to our members this year as possible. My staff and I will be working hard to encourage more people to utilize the great facilities we have available at the club.

**USGA-GHIN Handicaps ... Annual fee of \$25.** We are currently networked to nearly 10,000 courses nationwide. Anytime you are at a club that offers the GHIN Handicap system you can post your score or look at your current handicap. GHIN also allows you to post your score online. This charge will show up on this month's statement, and the deadline for any changes to your handicap status is March 31.

**Club Repairs ...** Now is the time to bring your clubs in for re-gripping, re-shafting, and to have the lofts and lie angles checked and changed. Take care of your clubs now before the season starts in order to get the best performance during the season.

**Driving Range Plan ...** This plan will also be on this month's statement. Anyone looking to improve their game this season, this is a great **\$\$ money saver** to help accomplish that goal. Take advantage of this plan which allows for unlimited range usage throughout the season.

**Hole in One Club ...** This is a plan for anyone who thinks that a hole in one is in their future. Anytime a member of the hole in one club hits a hole in one, each member of the club is billed \$5 and the person who hit the shot receives the amount

charged in their sweeps account (usually around **\$350!!**)

**Cart Plan ...** The Cart Plan is an excellent way to save money for the regular golfer. It allows any member and his family (still covered under the membership) unlimited cart usage for the season. The cost for the Cart Plan is \$795 per year, billed over a six month period from April-September. Current cart rental rates starting in 2017 if you pay as you go are \$20.00 per 18-hole round and \$10.00 per 9-hole round. The cart plan also includes bag storage for one person, (an \$85 value) as well as 10 FREE green fees (a \$400 value)!!

**Bag Storage ...** This plan is offered to members that wish to store their golf clubs at the golf shop. Your clubs will be cleaned, as well as loaded at your convenience. There is a one-time charge of \$85 for this plan and it is also billed in February. If you are on the cart plan and have more the one bag in storage you will be billed in February for only the one bag. One of the best conveniences we offer to the members!

## From the President

Happy New Year to all members and staff! Looking forward to a great 2017 here at the Owensboro Country Club. Hope to see many of you over the next few months dining and enjoying the club. Come out and enjoy great cuisine by Chef Stephen Helm and staff. Now is a great time to start planning winter parties and thinking ahead in regards to summer and spring activities and events.

Best Regards,  
Kate Burton  
OCC President

Kevin Glover,  
Certified Golf Course  
Superintendent

## Kevin's Klippings

We have been busy trimming the hedges along JR Miller Blvd., reconditioning equipment, trimming, edging cart paths and ditches. We also recondition tee markers, hazard stakes, trash cans, ball washers and all around clean-up of the grounds. We have cleaned up our equipment storage area as well.

We had a few nice days to finish leaf collection. Also, when it does snow, we handle snow removal in the parking area and side walks for your safety. So far this winter the weather has been decent and we have been getting a great deal of our outside work completed.

Most turf management related seminars and training schools are spread throughout the winter. The entire crew takes advantage of these educational meetings. We earn continuing education units to keep pesticide certifications up to date. If like most off-seasons, there is never enough time to get all

the tasks completed that need be. Before you know it, spring will be here.

**Champion Bermuda green:** So far the chipping green has been under cover 28 days this winter. Last year by this time it had only been under cover for 14 days. We cover it with a tarp made of breathable, woven polypropylene material. Covers need to go out anytime the forecast calls for lows below 27 for 3 or more days without much daytime temperature increase. I like to track these events to see how covers would affect our winter play if we had Bermuda greens. We would lose a few golfing days in the winter months due to cover management. When preparing for cover deployment or retrieval you may need to deploy a day early or take off a day late just because of the wind. Those would be the lost golfing days, not many rounds in the end, but days the course would be closed. A 5,000-6,000 square foot tarp is not something you mess with in a 15-20 mph wind. I also estimate tarp deployment and retrieval to be a 10 hour process for a 4 person crew when dealing with 18-20 greens.

Stephen Helm,  
Clubhouse Manager  
& Executive Chef

## Clubhouse News

I would like to personally welcome the members back from the January break and also let everyone know how excited I am to be back here at the Owensboro Country Club. I want to let everyone know to always feel free to talk with me about any concerns or ideas you may have about your visits here at the Clubhouse. We strive to give you the best food and beverage services

attainable here at the Club.

We are preparing to have a great year but we need your participation to make things successful. We will have new lunch, dinner and banquet menus starting in February with some of the membership favorites added back to the menus with more traditional offerings to our region. I'm hoping it will be well received and any feedback would be appreciated. We are planning food and drinks specials for

the Super Bowl on Sunday February 5<sup>th</sup>, Valentine's Day Tuesday February 14<sup>th</sup> and Creole dishes during the week of Mardi Gras February 21<sup>st</sup> thru 28<sup>th</sup>. We will also continue with our Pasta Night every Thursday which has a variety of toppings and sauces to choose from and Sunday brunch with the omelet and waffle bar and traditional brunch offerings available on the buffet.

I would also like to remind everyone of our banquet facilities. The food and beverage staff strives to make your event a successful one and offer the highest quality ingredients available in our area. Please keep us in mind when planning a wedding, rehearsal dinner, bridal or baby showers, birthday parties, anniversaries, corporate meetings, business seminars or any other social event you may have in mind. Please contact Kara Early or myself and we will be happy to discuss any details to help make your event a memorable one.

I appreciate all of your support during this transition and I hope to see you in the Clubhouse soon.

## Pool Splash

Hello, my name is Matt Arnold and I am your new Head Swim Coach here at the Owensboro Country Club! I have taught in the Daviess County Public Schools for the last 10 years, coaching a variety of sports and look forward to this new opportunity. I have been married for 9 years and have 4 beautiful daughters of the ages of 8,7,4,2. I am very excited to be joining your swim community here at OCC and look forward to meeting you and your children very soon!

**COMMUNICATION:** Please text @occsim to 81010 to join our text message remind group for this season

Thank you!

## Electronically Email Statement

Owensboro Country Club continues to evolve and grow as a club. With this growth, we are always trying to identify opportunities for improved efficiency while being mindful of the environmental choices. In the future all statements will be sent via email to our entire Membership. Please send and updated or preferred email address for Member statement delivery to Jaynie Turner, [jayniet@owensborocc.com](mailto:jayniet@owensborocc.com) by March 1<sup>st</sup> so we can begin this process. The club appreciates your support as we continue to look for efficient and environmentally sound business practices. OCC will be offering a new membership promotion soon. Be sure to tell your friends about your club & all the amenities we offer.

Follow Owensboro Country Club on **Facebook & Twitter** for our Clubhouse Activities and Dining Specials.
