## Jason's Corner

**Driving Range ...** Range balls will be passed out nightly until 6:30. Members may hit balls until 7:00; however, please help our staff by making sure you're last shot is no later than 7:00. This is especially

true on Wednesday nights as the range must be picked clean so that the mowers don't run over any golf balls on Thursday morning. Thank you for your cooperation.

**Men's Member-Guest ...** Don't forget the Member-Guest, our feature golf tournament of the year. This year's event will be held July 13-15. This is a great weekend for all. A limited number of social tickets will be available from the golf shop for those wishing to come out for Friday night's dinner and dance. The tournament will be sold out, and we plan on showing off our club to all of our members and their guests!

**Couples Golf in July ...** We have had great participation so far with our couple's golf events this year, and we hope to continue having fun throughout the rest of the summer. All events will be a 5:30 Shotgun Start. We will have Couples Golf on the following dates: July 6th, 20th, and 27th. **Sign-up by 3:00 on days you are able to play!**

**Ladies Invitational ...** This format features 2-person teams and will be held in September again this year. The entry fee for guests is \$55

and will include cart, greens fees, lunch and prizes. The fee for members will be \$35. The field for this event is limited so please stop by or call the golf shop to reserve your spot now!

**President's Cup...** This event will be held August 5-6 this year. The event is a Ryder Cup format held annually for the lowest handicapped players at the club. Teams are decided by blind draw.

## Upcoming Events in July:

Firecracker Scramble	July 4
Men's Member-Guest	July 13-15
Go-Series Junior Championship	July 17
Girls Inc.	July 28

**Getting more value with your membership ...** Don't forget about the arrangement with Rolling Hills Country club in Newburgh, In., Hopkinsville CC, Christmas Lake, Madisonville CC and Henderson CC. This arrangement will allow our members to play golf at those facilities for a \$25 player's fee. Their members can also play at Owensboro Country club. Each club will have their host professional call the club that their members want to play to set up a tee time. Saturday morning play will not be allowed at any of the facilities, but afternoon weekend play is allowed. This could be great if any of the clubs are having an outing, and those members want to play golf. We hope this is a successful arrangement that each club's members can enjoy. Payments will be made by credit card at the courses.

## Billing Statements

Owensboro Country Club continues to evolve and grow as a club. With this growth, we are always trying to identify opportunities for improved efficiency. In the future all statements will be sent via email to our entire Membership. Please send and updated or preferred email address for Member statement delivery to Jaynie Turner, jayniet@owensborocc.com ASAP so we can begin this process. The club appreciates your support.

## Kevin's Klippings

I would like to remind you to PLEASE keep off the 18th green during our nighttime July 4th fireworks celebration. PLEASE apply your bug spray while standing on the cart paths. The over-spray damages the grass. Your cooperation is much appreciated.

I hope everyone has been out enjoying the golf course. We have a great crew this summer in the grounds department and we are looking forward to preparing the course this year for your Member-Guest and the other great events in July. The warm weather has the fairways and tees looking great.

We did get a little on the dry side for a few weeks last month. I was beginning to see grass browning out over drain lines and along cartpath edges. Seeing stressed out turf in early June is very uncommon for our area.

The hot and humid conditions bring many challenges when growing Bentgrass putting greens. The desire for fast rolling greens has to be put on the back burner. Overall health of the putting greens becomes the number one priority. I have already started what I call our 'defense' mode on greens. Occasionally we will skip a day of mowing or add a roll instead of a mow. Height of cut will be raised slightly. 0.01-0.015" does make a difference in summer survival. A simple reference would be a dime coin. A dime is 5 times thicker than the amount we raise the height of cut.

The summer season is in full swing and so are the activities here at the Club. The pool and the Oasis have been very busy and we hope to continue to have nice weather so everyone can enjoy the amenities that are offered while they are here. We are getting prepared for Independence Day and plenty of activities for everyone to enjoy. Disc Daddy's will be spinning tunes by the pool for your entertainment, golf scramble with a breakfast buffet, an a

la carte grill out behind the 18<sup>th</sup> green from 11am to 3pm, pool activities, bouncers, slides and fun for the whole family. Our annual cook out buffet will take place from 5pm to 8pm with all the traditional favorites then the highlight of the night a grand fireworks show at dusk.

On July 29<sup>th</sup>, we will be having an adult Luau at the pool with specialty drinks, an optional themed buffet and live entertainment for everyone to enjoy. Reservations are requested so please call Kara at extension 12 to reserve a spot for what we hope will be an entertaining evening here at your Club.

In closing I would like to remind everyone to download the new mobile app. It's easy to use and the best way to keep up with all the Club's events throughout the season. As always, I welcome all your comments and suggestions and will be happy to assist anyone as needed. Hope to see you around the Clubhouse soon.
