Meet schedule

June 15- Records Meet (OCC)

June 22- Heat Waves (OCC)

June 29- Madisonville(OCC) tentative

July 6th-Evansville Country Club and Princeton at ECC

July 13th-Audubon Conference Meet

Swim Team Requirements:

Swimmer must have some prior swimming experience- examples include swim lessons, ability to float on stomach and back, treading water in a stationary position, kick on back some of the length of the pool, and general understanding of freestyle. Our swim team is designed for swimmers' age 4 years of age through Summer after High School Graduation.

Parental responsibilities:

Parents are encouraged to be actively involved with the swim team through participation in a volunteer position. This enables us to all share our time and areas of expertise to help benefit our swimmers. It takes many people to successfully host a swim meet and we need your help! We will have an informational parent meeting to help further explain our areas of need.

Swim Meets

Meets are not mandatory, but highly encouraged for all. It is very important to notify the coach ASAP if your child will not be participating in a meet. If your child is only interested in practicing with the team but will not attend meets, please indicate on the registration form.

Cost

\$100.00 per swimmer

Any questions contact Coach Patsy at 270-485-8268
