Thoroughbreds Swim Team and Learn to Swim Program

If you have any questions, please call or text Julie Kinsolving @ 270-625-8600 or email juliekinsolving3@gmail.com

Swim Team Requirements: Swimmer must have some prior swimming experience- examples include swim lessons, ability to float on stomach and back, treading water in a stationary position, kick on back some of the length of the pool, and general understanding of freestyle. Our swim team is designed for swimmers age 5 years of age through Summer after High School Graduation. We do, however, have younger swimmers who show natural ability.

Parental responsibilities: Parents are encouraged to be actively involved with the swim team through participation of a volunteer position. This enables us to all share our

time and areas of expertise to help benefit our swimmers. It takes many people to successfully host a swim meet and we need your help! We will have an informational parent meeting to help further explain our areas of need. With our rebranding efforts and our new club mascot "Thoroughbreds" we are asking all returning swimmer to purchase new caps and suits with the new mascot. This will create a strong brand presence for our teams.

*Swim Meets - Meets are not mandatory, but highly encouraged for all. It is very important to notify the coach ASAP if your child will not be participating in a meet.

Learn to Swim Program

June 7th - July 2nd

Monday, Thursday, Friday 10:15 - 10:45

- This group is designed for young swimmers who are ready for small group swim instruction and are not afraid of the water.
- This group is used as a transition from swim lessons to swim team, and is non-competitive
- Ages 4-6
- Swimmer can transition from Learn to Swim Program to swim team at any point during the swim season if the coach feels they are ready.

Although this group is non-competitive they are very much considered a part of our team. Participants of Learn to Swim Program are invited to purchase team suit, be in team picture and attend our year end sports banquet at the end of the season
